COP27 EGYPT
2022

Accelerating #ActionOnFood for people and planet

6-18 NOVEMBER 2022

SHARM EL-SHEIKH, EGYPT

foodsystemspavilion.com

Where to find us at COP27?

If you have the official accreditation and will be attending COP27 in-person, visit our Pavilion and participate in any of our sessions.

Our Pavilion is located in **Area B, Hall 4, P08** see below map and floorplan:

Overview Schedule

Accelerating #ActionOnFood
for people and planet

Sunday, 6 November 2022

ENHANCE resilience to climate and shocks

Tuesday, 8 November 2022

ENABLE a culture of sustainable, healthy and nutritious diets

Wednesday, 9 November 2022

INCREASE sustainable investment and financing to build food systems

Thursday, 10 November 2022

ACCELERATE innovation and digitalization

Friday, 11 November 2022

BOOST nature positive production and soil health

Saturday, 12 November 2022

SCALE climate resilient agriculture

Monday, 14 November 2022

EMBRACE sustainable water and aquatic blue food diversity for climate smart food systems

Tuesday, 15 November 2022

CHAMPION youth action in food systems

Wednesday, 16 November 2022

PROTECT and restore nature

Thursday, 17 November 2022

TRANSFORM value chains and develop inclusive markets

Friday, 18 November 2022

Closing of the Food Systems Pavilion

ENHANCE resilience to climate and shocks

Sunday, 6 November 2022

- 11:30 – 13:30** Partnerships for food systems transformation
(Organisers: Food and Land Use Coalition, Good Food Institute, Clim-Eat)
- 13:45 – 14:45** Designing food systems resilience in a warming world for global security: How both global and regional solutions can lessen risks, increase supply chain stability, and improve livelihoods
(Organisers: Good Food Institute, Infarm)
- 15:00 – 15:50** Farmers and innovators at the center: Solutions for creating resilient food systems for tomorrow
(Organisers: Environmental Defense Fund, Infarm)
- 15:55 – 16:15** Demo stage: Climate resilient production of staple crops to enhance food security
(Organiser: Infarm)
- 16:30 – 18:00** A virtual field visit to farming communities in Malawi
(Organiser: One Acre Fund)
- 18:15 – 19:00** Food Systems Transformation and the future of the Koronivia Joint Work on Agriculture
(Organisers: Environmental Defense Fund, WWF)
- 19:30 – 21:00** Food Systems Pavilion Reception: Food on the table at COP
(Organiser: Food Systems Pavilion)

ENABLE a culture of sustainable, healthy and nutritious diets

Tuesday, 8 November 2022

- 09:00 – 09:45** Innovations to deliver healthy, sustainable and nutritious diets
(Organisers: Food and Land Use Coalition, EIT Food)
- 10:00 -10:45** Unlocking climate finance for resilient food systems and nutrition
(Organiser: Scaling Up Nutrition)
- 11:00 – 11:45** A global food system to nourish a population of 10 billion by 2030 in a changing climate
(Organisers: Food and Land Use Coalition, EIT Food)
- 12:00 – 12:45** The critical role of SME's in delivering nutrition
(Organisers: Food and Land Use Coalition, EIT Food, SNV)
- 13:00 – 13:45** Climate and Nutrition: we can't have one without the other: a call to action for policy makers
(Organisers: Food and Land Use Coalition, EIT Food)
- 14:00 – 14:45** Shifting diets to deliver climate goals and nutrition security
(Organisers: Food and Land Use Coalition, EIT Food)
- 15:00 – 15:45** Tackling food loss and waste to deliver food security and climate goals
(Organisers: Food and Land Use Coalition, EIT Food)
- 16:00 – 16:45** Solving the protein dilemma through smart policy and financing: The need for governments and investors to drive food system innovation
(Organiser: Good Food Institute)
- 17:00 – 17:45** Recipe for sustainable, healthy, nutritious food: changing our consumption
(Organiser: WRAP)
- 18:00 – 18:45** Diversification through Indigenous, neglected and aquatic foods
(Organiser: Food and Land Use Coalition)
- 19:00 – 19:45** Food Scapes
(Organiser: The Nature Conservancy)

INCREASE sustainable investment and financing to build food systems

Wednesday, 9 November 2022

- 09:00 – 09:45** The Challenges and Opportunities to Mobilize Finance Solutions for Food System Transformation: Opening Session
(Organisers: SNV, Yara, Food and Land Use Coalition, Infarm, Clim-Eat)
- 10:00 -10:45** Financing a sustainable and just food system transition: How leading financial institutions and value chain actors set concrete targets & take action
(Organiser: Just Rural Transition)
- 11:00 – 11:45** The do's and don'ts of blended finance: An interactive conversation
(Organiser: Rabobank)
- 12:00 – 12:45** Digital Climate Finance Solutions: Demo Stage
(Organiser: SNV)
- 13:00 – 14:15** Mobilizing Finance Solutions for Food System Transformation in Africa
(Organisers: SNV, Clim-Eat, Infarm, AGRA)
- 14:30 – 15:15** The Role of Insurance as a Key Climate Adaptation Mechanism to Protect Smallholder Farmers
(Organiser: One Acre Fund)
- 15:30 – 16:15** Building bridges between finance and development coordination for the adaptation of food systems
(Organisers: DFCD, FMO, SNV, Climate Fund Managers, WWF, ECDPM)
- 16:30 – 17:15** Climate Finance for Sustainable Transformation of Agriculture and Food Systems
(Organisers: GIZ, SEKEM, KLIK, World Food Programme, CGIAR, Ministry of Environmental Protection and Agriculture of Georgia)
- 17:30 – 18:15** Financing Research and Innovation for Adaptation in Africa's Food Systems
(Organisers: E3G, Malabo Montpellier Panel)
- 18:30 – 19:15** Financing Food Security through innovative financial Instruments: he Case of The Green Bond
(Organiser: Centre for 21st Century Issue)
- 19:30 – 20:00** The Takeaway
(Organisers: SNV, Yara, Food and Land Use Coalition, Clim-Eat, Infarm)

ACCELERATE innovation and digitalisation

Thursday, 10 November 2022

- 09:00 – 10:45** Innovation driving food systems transformation
(Organisers: EIT Food, Infarm)
- 11:00 – 11:45** Unleashing the power of innovation for regenerative and climate-smart food systems
(Organiser: World Economic Forum)
- 12:00 – 12:45** Future food: from sideline to center stage
(Organisers: Global Agrifood Tech Alliance, Infarm)
- 13:00 – 13:45** Demo stage: Innovation in action: Reimagining the future of food
(Organisers: Agoro Carbon Alliance, Infarm)
- 14:00 – 14:45** Investments into the food systems: An economy fit for the future
(Organiser: EIT Food)
- 15:00 – 16:45** True Value of Food: A call to action to solve climate change and other global crises
(Organiser: Rabobank)
- 17:00 – 17:45** Visualising transformative adaptation for resilient food systems
(Organiser: Australian Centre for International Agricultural Research, Clim-Eat, CGIAR-ClimBeR, World Resources Institute)
- 18:00 – 18:45** The road to 1.5 degree: One burp at a time
(Organisers: Zero Emissions Livestock Project, ZELP)
- 19:00 – 19:45** Activating future generations for success
(Organisers: EIT Food, Infarm)

information

BOOST nature positive production and soil health

Friday, 11 November 2022

- 09:00 – 09:45** Boots on the Ground: What should the private sector do to boost regenerative agriculture?
(Organiser: reNature)
- 10:00 -10:45** Producer-Driven Regenerative Solutions Across Geographies and Ecosystems
(Organisers: Food and Land Use Coalition, Environmental Defense Fund)
- 11:00 – 11:45** Carbon farming: its value and potential
(Organiser: Rabobank)
- 12:00 – 12:45** Taste the soil: the silent Ally that feeds you
(Organisers: FarmAfrica, BASF)
- 13:00 – 13:45** Soil Health Resolution
(Organiser: Coalition of Action for Soil Health)
- 14:00 – 15:45** Repurposing Public Support to Food and Agriculture to Enable a Just Rural Transition
(Organiser: Just Rural Transition)
- 16:00 – 16:45** Soils as an asset: Galvanizing public support to achieve our shared ambitions for NDCs
(Organiser: Coalition of Action for Soil Health)
- 17:00 – 17:45** Food Security Partnerships, Programs and Policy Solutions: The Ground We Need to Feed
(Organiser: Coalition of Action for Soil Health)
- 18:00 – 18:45** Creating win-wins on soil? Rewarding smallholder farmers for building soil organic carbon
(Organiser: Ashoka Trust for Research in Ecology and the Environment)
- 19:00 – 19:45** Sustainable Agriculture and Food Security: Climate proofing agricultural systems for better food security
(Organiser: OCI N.V.)

SCALE climate resilient agriculture

Saturday, 12 November 2022

- 09:00 – 09:45** The Road to a Decarbonized, Fair, and Resilient Food System: High-level opening
(Organisers: SNV, Yara)
- 10:00 -10:45** Decarbonizing Food Production: Global solutions, local implementation
(Organisers: SNV, Yara)
- 11:00 – 11:45** Financing Climate Resilient Agriculture
(Organiser: One Acre Fund)
- 12:00 – 12:45** Digital Climate Adaptation Services: Demo stage
(Organiser: SNV)
- 13:00 – 13:45** Scaling Climate Resilient Agriculture and National Action Plans
(Organisers: SNV, Food and Land Use Coalition)
- 14:00 – 14:40** NDCs that meet the needs of eaters and policy
(Organisers: Aleph Farms, Food Tank)
- 14:40 – 15:20** Building Nutrient-Dense Global Food Systems
(Organisers: Aleph Farms, Food Tank)
- 15:30 – 16:15** Pastoralism and Rangelands Restoration: Promising solutions to benefit our planet and people
(Organisers: SNV, Environmental Defense Fund)
- 16:30 – 17:15** The contribution of dairy to resilient food systems in East Africa
(Organisers: NEADAP, ILRI, RNDP, Wageningen University and Research)
- 17:30 – 18:15** Planting the seeds for a climate-smart future: New business models and opportunities to scale solutions for a climate-smart future
(Organisers: Dutch Ministry of Agriculture, Nature and Food Quality, Clim-Eat, Netherlands Food Partnership)
- 18:30 – 19:15** Breaking Down Barriers for an Agriculture Breakthrough: Putting the Breakthrough Report recommendations into action
(Organisers: Clim-Eat, CGIAR, FCDO)

EMBRACE sustainable water and aquatic blue food diversity for climate smart food systems

Monday, 14 November 2022

- 09:00 – 09:45** Plenary: Water and Aquatic Foods as Critical Components of the Food Systems Transformation
(Organiser: Environmental Defense Fund)
- 10:00 -10:45** Aquatic Foods as a Climate-Smart Source of Nutrition
(Organiser: Environmental Defense Fund)
- 11:00 – 11:45** Sustainable governance and management interventions in aquatic food and water systems to ensure food and nutrition security in the face of climate change
(Organiser: Environmental Defense Fund)
- 12:00 – 13:00** Innovation and Technology in Water and Aquatic Food Systems
(Organiser: Environmental Defense Fund)
- 13:15 – 14:05** From the Ground Up: Community-led approaches across blue foods, freshwater and agriculture
(Organiser: The Nature Conservancy)
- 14:20 – 15:05** Climate-Aggravated Water Scarcity as a Food Security Issue
(Organiser: Environmental Defense Fund, SNV)
- 15:20 – 16:10** Water Data for Planning and Decision Making
(Organiser: SNV)
- 16:25 – 17:10** Climate and Water Smart Agriculture: From the Netherlands and Egypt to the World
(Organiser: Embassy of the Kingdom of the Netherlands in Cairo)
- 17:25 – 18:10** Sea the Opportunity
(Organiser: Global Salmon Initiative)
- 18:25 – 19:10** Achieving Ambitious Food System Transformation in the Context of USAID's New Climate Strategy: A Listening Session
(Organisers: BIFAD, Feed the Future, USAID)
- 19:15 – 20:15** Takeaway + Evening Reception
(Organiser: Environmental Defense Fund)

CHAMPION youth action in food systems

Tuesday, 15 November 2022

- 09:00 – 09:45** Youth transforming food systems: From idea to action
(Organisers: IAAS World, World Food Forum)
- 10:00 -10:45** Creating access: Options & Barriers for youth inclusion in food systems transformation
(Organisers: IAAS World, World Food Forum)
- 11:00 – 11:45** Adapting to transboundary climate risks in food trade
(ECDPM)
- 12:00 – 13:00** Meat for Earth: Demo stage
(Organiser: Good Food Institute)
- 13:15 – 14:00** Accountability of NDCs, NAPs, and food systems: From the youth lens
(Organisers: World Food Forum, YOUNGO)
- 14:15 – 15:00** Borrowing the earth from our grandchildren: What does behavior change for intergenerational justice mean to you?
(Organiser: YPARD)
- 15:15 – 16:00** Climate Crisis: Next steps for Youth in agri-food systems
(Clim-Eat, SNV)
- 16:15 – 17:00** A brainstorming session on Food Loss and Waste (#123 pledge) with youth and game-changing stakeholders
(Organiser: Rabobank)
- 17:15 – 18:00** Delivering Transparency and Transformational Change in Food Systems: How the G7 Sustainable Supply Chain Initiative is working to meet young people’s demands for sustainable and resilient food systems
(Organisers: GIZ, World Benchmarking Alliance, OECD)
- 18:15 – 19:00** Youth at the center of the food revolution: Taking forward the Actions 4 Change
(Organiser: Act4Food Act4Change)

Scan for more information

PROTECT and restore nature

Wednesday, 16 November 2022

- 09:00 – 10:45** Making space for nature by changing how we produce meat: The role of governments and policy
(Organiser: Good Food Institute)
- 11:00 -11:50** A restoration handbook: What does socially and ecologically responsible ecosystem restoration look like?
(Organiser: Ashoka Trust for Research in Ecology and the Environment)
- 12:10 – 13:00** Launch of the Cookbook in support of the United Nations
(Organisers: Kitchen Connection, Clim-Eat, EAT Foundation, Rockefeller Foundation, UNFCCC, Switzerland)
- 13:15 – 14:00** Inviting everyone to the table: How a diversity of nature-inspired food solutions and stakeholders can enable a global recovery for biodiversity
(Organiser: Good Food Institute)
- 14:15 – 15:45** Zero-conversion food: How traditional ecological knowledge can light the way for recovery of healthy, biodiverse lands and waters while also feeding a growing world
(Organisers: Good Food Institute, The Nature Conservancy)
- 16:00 – 16:50** Indigenous Peoples' food systems for climate resilience
(Organiser: FAO Indigenous Peoples Unit)
- 17:05 – 17:55** Nature-positive food systems: a climate change safety net
(Organiser: Wageningen University and Research)
- 18:10 – 19:00** Food system careers of the future: Insights and aspirations from youth leaders
(Organiser: Good Food Institute)

TRANSFORM value chains and develop inclusive markets

Thursday, 17 November 2022

- 09:00 – 09:45** Collective action to deliver sustainable food and land use systems alongside a just rural transition
(Organisers: Food and Land Use Coalition, Infarm)
- 10:00 -11:45** Transforming Value Chains and Developing Inclusive Markets
(Organisers: Aleph Farms, Food Tank, The Nature Conservancy)
- 12:00 – 12:45** Demo Stage
(Organisers: Infarm, Shiok Meats)
- 13:00 – 13:45** Accelerating cross-sector supply chain action to halt deforestation in line to a 1.5°C pathway
(Organisers: World Economic Forum, Infarm, The Nature Conservancy, Food and Land Use Coalition)
- 14:00 – 14:45** The Cool Move: A low carbon cold chain & agro-logistic accelerator program for Africa, at the intersection of food & energy
(Organiser: Rabobank)
- 15 :00 – 15:45** Smallholders and inclusive market access
(Organiser: One Acre Fund)
- 16:00 – 16:45** Decentralized Energy Interventions as a Catalyst to Augment Agri-Food Value Chains
(Organisers: SNV, IKEA Foundation)
- 17:00 – 17:45** Food system transformation: vision, pathways and processes
(Organiser: Chatham House)
- 18:00 – 18:45** Reducing deforestation and forest degradation through sustainable agricultural value chains and improved forest governance: From commitment to action
(Organisers: GIZ, Federal Ministry for Economic Cooperation and Development, Germany, European Commission)
